

## KICKING OFF THE 2023 95A RACE SEASON!

Come join us for the 4<sup>TH</sup> race of the 2023 International Vet MotoCross season in Fernley Nevada! We are super excited to carry on the 2023 IOTMX momentum. The Arizona, Las Vegas and Southern California chapters will have already completed their events and ours is next on the list. 😊

Every year, OTMX Nevada hosts an International Race for Riders 40 years of age and older. Riders come from 8 western states and as far as British Columbia and Alberta Canada. Although the race weekend is focused on “Ages of 40+ Riders,” we also allow many support class attendees. All 30+ Beginner, Intermediate and Advanced riders & all 125cc’s + Beginner, Intermediate & Advanced. (125cc+ means you can race your 125, 150, 250, 300, 350 or 450 etc...) Plus, this year we are adding in the extra support classes for Women. Women can ride 85cc’s and above, and can race Beginner, Intermediate or Advanced classes.

Friday April 14<sup>th</sup> is a Practice Only day and cost will be \$40 per rider. (All riders are welcome)

Friday Practice is from 9am to 2pm (Gates open at 7)

Saturday and Sunday are both race days.

Saturday & Sunday “Race Day Practice” starts at 8am with Race Motos starting immediately after.

Camping at the track is free and will be allowed Thursday, Friday and Saturday night. (Gate Fees Required for Saturday & Sunday)

This will be a super fun event and a great opportunity to break in the new track layout. See you all very soon!

Sincerely, OTMX Nevada
